

A colorful illustration of children participating in a choir. At the top, a boy with headphones, a girl with a microphone, a boy with a microphone, and a girl with a guitar are shown. On the right, a girl with a microphone and a girl with a book are visible. On the left, a boy with a microphone and a boy with a speaker are shown. Musical notes are scattered throughout the scene.

APS Choir 2017

Did you know singing improves literacy and promotes learning, helps with self regulation, gets the whole brain working, reduces stress, and improves our mood? And best of all its fun!

Choir is open to all students from years 1 -6 and is run by Kylie Clift from Jim Jam Studios.
